Saptamatrika - The Seven Mother goddesses

This carved panel from the Pratihara Dynasty depicts the seven divine mothers, who are the female counterparts of the gods in the Hindu pantheon. You may also come across Saptamatrika panels bearing eight or nine figures. In many instances, the seven mother goddesses are flanked by Ganesha and Virbhadra (an incarnation of Shiva) on both ends.

Did you know the concept of Ashtamatrika or Eight Mother Goddesses is very common in Nepal?

This puzzle consists of all the names of 7 male counterparts of the Saptamatrikas.

Can you try finding them & solve this puzzle?
